ACCEPTED MEAL BINS AND GRAIN SILOS

This list details all the companies that are accepted as producing meal bins / grain silos for grant-aid. The meal bins / grain silos will still be subject to a final inspection before grant-aid is paid.

If a manufacturer is not included on this list, then initial approval for grant aid shall not be given unless the applicant arranges for the Departmental acceptance of the chosen system.

If a Meal bin /grain silo manufacturing company which is not on this list wishes to be included, it should send detailed specifications of their units to: Specialist Unit, Specialist Farm Services Environment and Evaluation Division, Pavilion A, Grattan Business Centre, Dublin Road, Portlaoise, Co. Laois.

Notes:

- 1) Only meals bins/grain silos that are pre-painted, shall be accepted for grant-aid.
- 2) Meal bins / grain silos shall be bolted to a minimum 3m x 3m, 250 mm thick concrete base. The foundation and concrete shall be constructed and placed as described in S.101. The concrete shall be certified as per S.101. The concrete strength shall be as per S.101.
- 3) In cases where meal bins are constructed in existing buildings, then the bins are not required to be painted, however, the building must be in compliance with planning permission regulations.
