## ACCEPTED PRECAST SILO WALL PANELS

**S120P**  
**August 2007**

This list details all the companies that are accepted as producing precast concrete silo wall panels for grant-aid. The mats will still be subject to a final inspection before grant-aid is paid.

If a manufacturer is not included on this list, then initial approval for grant aid shall not be given unless the applicant arranges for the Departmental acceptance of the chosen system.

If a precast silo wall manufacturing company which is not on this list wishes to be included, it should send detailed specifications of their units to: Specialist Unit, Specialist Farm Services Environment and Evaluation Division, Pavilion A, Grattan Business Centre, Dublin Road, Portlaoise, Co. Laois.

In all cases the precast silo wall panels shall be fixed in-situ. The method of fixing shall be cast into the wall panel during manufacture.
