E-mail address:

Date:

---

I undertake:

- to immediately inform the Organic Unit if any of the registered varieties are no longer available,
- that the seed or seed potatoes to be placed on the market comply with the general requirements applicable to seed and vegetative propagating material,
- to make available all the information required under Article 22 of Commission Regulation (EC) No 834/2007 and
- to update this information whenever such updating is necessary to ensure that the information remains reliable or at the request of the Organic Unit.

(The Organic Unit may refuse this application for registration or delete an already accepted registration if the Supplier does not comply with these requirements)
